INNOVATION.

Pavoni Italia presenta la nuova linea di stampi per praline innovation.

La linea di stampi in policarbonato utilizza esclusivamente una tipologia di policarbonato di prima scelta, top di gamma. La notevole resistenza di questo materiale consente di creare stampi di grande qualità, con superfici totalmente a specchio, in grado di esaltare nei minimi dettagli il prodotto finito.

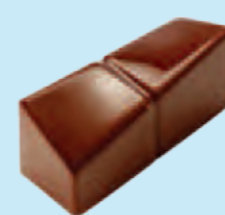

Il risultato: praline innovation perfette nelle forme e nelle linee perimetrali.

Pavoni Italia presents the new praline mould line Innovation.

The polycarbonate line adopts a top-grade polycarbonate mould.

The considerable resistance of this material gives the opportunity to work out high-grade moulds with mirror surfaces.

These moulds are featured by the special care that is devoted to final product details. The result: pralines with perfect shapes and perimetral lines.

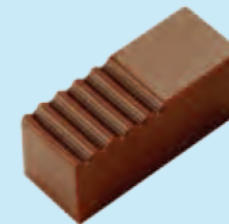

PC01

DIM. 14 x 37 x H 19 mm
21 pcs / 10 gr

PC02

DIM. 17 x 37 x H 17 mm
21 pcs / 10 gr

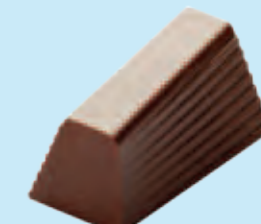

PC03

DIM. 15 x 37 x H 15 mm
