CHAMPAGNE PLATE

100/0049

6 units box.

A half bottle of champagne with a polished base that provides good stability.

Ideal for presenting dishes and desserts with champagne as an ingredient.

TAPA-COCKTAIL GLASS “CABALLERO”

100/0050

6 units box.

A base of wine glass of Pyrex glass, thermal shock resistant and works with nitrogen.

Very resistant to shocks during handling.

It gives a very elegant any petit four, appetizer, snack and of course, textured cocktails. The product remains high on the table, giving the presentation value. Ideal for serving on trays.
